 - Life memberships are per individual

Why Did You Join?

- Not only is it important for young people to belong to this organization, but certain scholarship dollars are unavailable to chapters that don't have an Alumni Association. I love being in Alumni and encourage others to join!
 - Lorelei Crum, Missouri
- It started as a way to support my child, but soon I realized how important agriculture education is and how vital this program is to our schools and community.
 - Allison Robinson
